Debbie Weinstein has been an extraordinary champion within the human needs community throughout her 30+ year career. From her work with the Massachusetts Human Services Coalition to now, Debbie has always been a coalition-builder. Now as CHN's Executive Director, Debbie continues to define the gold standard for bringing people together and achieving results. As one of the most beloved leaders in our community, please join us in celebrating her achievements (so far)!

At CHN's annual Human Needs Hero reception, we especially welcome interns and newer staff to join with our more experienced colleagues in this community-building celebration.
