

**Your Representative  
is anxious to hear  
from you before a  
really crucial vote.**

**Don't disappoint them!**

**Starting Monday, November 7:  
the National Call-in Week to Save Vital Services**

**Call your U.S. Representative toll-free:  
800-426-8073**

The House of Representatives is expected to vote during the week of November 7 on proposals to slash assistance for some of the most vulnerable people in America – families lacking health insurance; abused and neglected children; single mothers trying to collect child support; working families relying on food stamps; people with severe disabilities; and others.

Why is the House making billions in cuts? To pay towards the cost of tax breaks for the wealthy.

***It's easy to call.***

**Step 1:** On Monday, November 7 or any day that week, call **1-800-426-8073** to be connected toll-free to the Capitol Switchboard. Ask to speak to your Representative. (If you don't know who your Representative is, the people at the Capitol Switchboard can tell you, or you can visit [www.congress.org](http://www.congress.org) where you can insert your home address and identify your member of the House.)

**Step 2:** After you are connected to your Representative's office, say:

**"My name is \_\_\_\_\_ and I live in (your town/city). I would like Representative [name] to vote NO on the reconciliation bill to cut \$54 billion in vital services to vulnerable people, including Medicaid, SSI, foster care, Food Stamps, and child support. These cuts are the wrong priorities. Vote against cuts that hurt the poor and sick and vote against more unfair, unwise, and unaffordable tax breaks for the well-heeled."**
